FUNDRAISER PROCESS

Pick Designs

Your organization will work directly with our design team to develop your custom mums and garters. For most schools, we recommend one mum design and one garter design. MUMtastic will provide your organization with samples of each design to help with marketing and sales.

Marketing & Sales Process

While MUMtastic is busy creating your custom mums and garters, we recommend that your organization develop a marketing campaign. Most organizations add a webpage to their current website for advertising and sales. Spread the word via social media and students!

Delivery Process

MUMtastic will deliver your custom mums and garters the Monday of your homecoming date. Please be prepared for the delivery. In some cases, depending on sales, we may be dropping off 500 – 1,000 items. Please note that your organization is responsible for distributing the mums and garters.

QUESTION & ANSWER

Q: How does payment work?

A: MUMtastic requires payment at the time of delivery.

Q: We are not sure if we will sell 50 mums or 500 mums, is that okay?

A: Absolutely! We understand that you will not know your final sales number until after sales have started. We will decide on an initial end of sales date depending on your HOCO and you can confirm your numbers at that time.

Q: What if we want a design larger than a 6" mum?

A: After many years of fundraisers, we have learned that this is the most popular and functional size; however, we are more than happy to work with your organization to create a design or designs that best represent your school culture and atmosphere.

Q: We are a private organization with a lower, middle and upper school; is it possible to create smaller mums and garters for the elementary aged students as well as the larger designs for the middle and high school students?

A: YES! We are happy to work with your organization to create the best designs for all students.
